

Rainbow Silver | 40.900N

Rainbow Silver offers a holographic 'rainbow' effect, making it perfect for promotional signage and decorative applications. It's ideal for long-term indoor and short-term outdoor use, with outdoor durability extended to 3 years when overlaminated. For outdoor applications, we recommend edge-sealing with our 97.000 Total Seal pen.

Fourbases BV guarantees the material for twelve months from the date of final invoice. The shelf life of our material depends on storage conditions. The end user should store the material in the original boxes or in equivalent boxes, away from direct sunlight, at a temperature of 21°C and 50% relative humidity. Fourbases BV guarantees that the products are free from defects in workmanship or defects in iSee2 material, provided they are stored properly. At its sole discretion, Fourbases BV may either: (1) replace all or part of the materials, or (2) issue a credit note for the value of the defective portion. All quoted data values are typical and should not be used as a basis to consider the product defective if measured values differ.
